No words, no talk.
We'll go dreaming

No pain, no hurt.
We'll go dreaming

Walk with me,
The future's at hand.
Here with us,
Here where you stand.
We both know the power of pain,
We get back up and start it again.
With new hope, no place for tears,
Leave behind those frozen years.
Come with me and we'll go dreaming.

We don't know how it can be,
Searchng out dignity.
Nothing can be as savage as love,
One taste is never enough.
With new hope, no place for tears.
Catch my hand and come with me.
Close your eyes and dream.

No words, no talk.
We'll go dreaming
No pain, no hurt.
We'll go dreaming
No words, no talk.
We'll go dreaming
No pain, no hurt.
We'll go dreaming

Walk with me,
The future's at hand.
Here with us,
Here where we stand.
We both know the power of pain,
We get back up and start it again.
With new hope, no place for tears,
Leave behind those frozen years.
Come with me and the dream.

We don't know how it can be,
Searching out dignity.
Nothing can be as savage as love,
One taste is never enough.
With new hope, no place for tears.
Catch my hand and come with me.
Close your eyes and dream.

No words, no talk.
We'll go dreaming
No pain, no hurt.
We'll go dreaming
No words, no talk.
We'll go dreaming
No pain, no hurt.
We'll go dreaming
(repeat)

We'll go dreaming.
We'll go dreaming.
We'll go dreaming.
We'll go dreaming.
We'll go dreaming.
We'll go dreaming.
We'll go dreaming.
We'll go dreaming.
We'll go dreaming.

Catch my hand and come with me.
Close your eyes and dream.

No words, no talk.
We'll go dreaming
No pain, no hurt.
We'll go dreaming
(repeat out)
