Kiss me one last time
- one last time.
- one last time.
- one last time.

The light is going blue.
Morning approaches.
The pain's still here.

I'm empty - empty - empty.

Sounds of the world,
Of laughter and tears.
I've nothing left.

I'm empty - empty - empty.

So now eat your words,
I hope you choke.
I feel nothing no more.

I'm empty - empty - empty.

Heaven is forbidden
But I'm going soon
Kiss me last one time before
I take my flesh away
Heaven is forbidden
But I'm going soon
Kiss me one last time before
I take my flesh away
Kiss me one last time
