To the people, not so much the people in the audience
as the people sitting in
My mind,

Donde esta los digits du dj rap?

Bring the sound to the people in a white truck bumpin'
on the road bumps
Run into a tree stump
Tweeter out the back door
Slam into the dirt lot, stopped
With the cable runnin' out the backside
Disconnected

And if you had a chance-ah
You wouldn't even stop denying,
Go talk to anna hand.
Go start the multiplyin'

Owwwwwwwwwwwwwwwwwwwwwwww

Blaaaaaaaaaaaaaaaaaaaaaaaaaah!

Red

Green is like a boom to the what's dis non.
Diddy on dawn to the don don diggy dawn.
(repeat)

Chorus

Doubt'll be the fire of your delight, but you're never
gonna come back down

A halve

The pop song on the five, but you're never gonna come
back down

To grab

The t-shirt off the line, but you're never gonna come

back down

I think she's murderously sly, but you're never gonna
come back down

But you're never gonna come back down,
But you're never gonna come back down,
But you're never gonna come back down,
But you're never gonna come back down,

We are here to save the erf uh.. e-r-f uh..

Oh when I woke up and got on the bmt
I saw the boom shudap and that's fresh to me ..
And they were scrawling on the window with wise-ass
keys,
And they were driving out the lots in their mercurys.

Green is like a boom to the what's dis non.
Diddy on dawn to the don don diggy dawn.
(repeat)

If you had a chance-ah
You wouldn't even stop denying
Go talk to anna hand,
Go start the multiplyin'

Chorus

Doubt'll be the fire of your delight, but you're never
gonna come back down

A halve

The pop song on the five, but you're never gonna come

But in my mouth-ah, it was-ah sweeter.

You understand?

You know what I'm saying?

Right on to the people up front,
Right to the people in the back,
Right on to the bartender,
Right on to the waitresses,
Right on to the dj,
Right on,
Right on to the lady with the beer over there in the pink
skirt,
Right on to all them mmmmmm english girls named
charisse...

Fucking blonde english girls with ghetto names you
know what I'm saying?
I love that shit.

And the seven udders uttered,
The seven unders thundered,
The seven thunders uttered,
The seven utters thudded, thudded, thudded,
under, thudded under
The seven thunders uttered.

Charisse-ah.

Bt: fucking excellent man.
Doughty: that's what I do for a living..
