You..
and your emotion..
I'm on your side
I say a prayer
And you..
and you're devotion
You're locked away..
Alone in there

And I love it when you fall..
And I love it when you fall..
And I love it when you fall..
to me
Suddenly

You..
and your emotion
I'm on your side
I say a prayer
And you..
and you're devotion
You're locked away
Alone in there

'Cause I don't want you to feel forgotten
And only you can choose your fate
Remember that all the pain that crossed here
And there's no space to place the blame

And I love it when you fall..
to me
Suddenly
And I love it when you fall..
to me
Suddenly

You..
and your addicton
Inside your (?vl?)face(?)
Its left a track
For you
it's taken over

You run away
The truth comes back

'Cause I don't want you to feel forgotten
And I don't want you to fall away
But you know there's something I've forgotten
And notes I left for all to blame

And I love it when you fall..
to me
Suddenly
And I love it when you fall..
to me
Suddenly

Cause you and me we're gonna be special
You and me we're gonna be special

And I love it when you fall..
to me
Suddenly
And I love it when you fall..
to me
Suddenly
And I love it when you fall..
And I love it when you fall..
And I love it when you fall..
to me
Suddenly

And i love it when you fall..
to me
Suddenly
And i love it when you fall..
to me
Suddenly
And I love it when you fall..
And I love it when you fall..
And I love it when you fall..
..to me...
..Suddenly

(Progressively Edited, including his Signature Stutter
Effect He Invented along with some promising
(sounding) software, sometimes the cutoff is so low
you can just hear the "outline" of the sound, but this is
it)

..me
I love It when you fall
I love it when you fall

fall
--stutter--
I love it when you fall
fall
to me
...
suddenly

I love it when you fall
to me suddenly
I love it when you fall
to me suddenly
I love it when you fall
Suddenly

Love it when you fall
To me
Love it when you fall
to me
(beautiful solo synth-brass outro)

From a very new but Impressed fan who has been
searching for this sound, comes THE CORRECT LYRICS,
in proper order!, i don't know why people haven't fixed
this yet
