Emergency has passed...

I watch you in the candlelight  
My head is in your hands  
The neon lights have all gone down  
We make our future plans

I wanted things to get better  
I was in pain  
I wanted you to be in my lifeline

I wanted love to get better  
I'd wait in line  
For something I knew that I would get to keep

Your "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleeding

Your "I love you"  
Your "I love you"  
Today is the day  
That I love you

Your "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleeding

Your "I love you"  
Your "I love you"  
Today is the day  
That I love you

The flashing lights have gone away  
Emergency has passed  
The future's right in front of me  
And I won't finish last

Today is the day  
That I love you

Today is the day  
That I love you

Your "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleeding

Your "I love you"  
Your "I love you"  
Today is the day  
That I love you

Your "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleeding

Your "I love you"  
Your "I love you"  
Today is the day  
That I love you

Your I love you.....

Emergency has past.....
