Force Of Gravity

By: BT featuring JC Chasez

JC sings all vocals

Remember the words we use to speak  
The promises made have turned to all apologies  
The weight of the storm of memories  
Still you're flying to fight the force of gravity

(Force of gravity...)

Remember the words we use to speak  
The promises made have turned to all apologies  
The weight of the storm of memories  
Still you're flying to fight the force of gravity

I remember the days I still could breathe  
Now I'm sinking beneath, the waves are crashing over  
me  
The empty space I lay between  
Is all that's left of where our love was meant to be

The force of gravity

Do you cry your eyes asleep?  
Is it peace you seek at night when your body's weak?  
Did it leave you with the scars, of a war-torn ravaged  
heart?  
Do you cry your eyes asleep?

(Do you cry...)

Do you cry your eyes asleep?  
Is it peace you seek at night when your body's weak?  
Did it leave you with the scars, of a war-torn ravaged  
heart?  
Do you cry your eyes asleep?

Do you cry your eyes asleep?  
Is it peace you seek at night when your body's weak?  
Did it leave you with the scars, of a war-torn ravaged  
heart?

Do you cry your eyes asleep?

Do you cry your eyes asleep?

(Do you cry...)

(Do you cry...)

Do you cry your eyes asleep?

Is it peace you seek at night when your body's weak?

Did it leave you with the scars, of a war-torn ravaged  
heart?

Do you cry your eyes asleep?

(Asleep...)
