Far from reach  
how the serpents preach  
life is a sin when the shephards are breeding  
in the quiet place  
force your mind to erase  
as the people pray for the distant drummer

[Hetfield] these are primitive times  
these are primitive  
these are primitive times  
No care, no less divine, surpass be it man or...

Ashes cover the man  
which the decades demand  
and paves the way for the sick and the dying  
the devil hides his tail  
behind the virgin's veil  
so the dead can dance to a distant drummer

[Hetfield] these are primitive times  
these are primitive  
these are primitive times  
No care, no less divine, surpass be it man or...

Ashes fall like rain  
as the blind go insane  
the shephards fall to the feet of their martyr  
baptize with gasoline  
holy flame, unholy scene  
as the ashes rise to the distant drummer

[Hetfield] these are primitive times  
these are primitive  
these are primitive times  
No care, no less divine, surpass be it man or ash

Not man or ash  
Not man or  
Not man or ash  
Not man or ash  
Not man or ash

Not man or
