You own my world  
You own a lot of things  
You own so many things  
But you really own nothing  
you really own nothing, nothing  
Nothing!

YOU!  
The choice you make is the price I pay  
Educate yourself

With reason  
There are so many things  
To fill your shell  
disinformation breeds  
you are the one I used to need  
who informs you?  
who feeds you news?

YOU!  
The choice you make is the price I pay  
Educate yourself

YOU!  
Born awake. Die in your sleep  
Sense it makes

YOU!  
The choice you make is the price I pay  
Educate yourself with reason

What you put in; in time, repays.

The choice you make is the price I pay  
Educate yourself

YOU!  
Born awake. Die in your sleep  
Sense it makes

YOU!

The choice you make is the price I pay  
Educate yourself

YOU!  
Born awake. Die in your sleep  
Sense it makes
