What's the point of trying to meet you in the middle
You got your point of view
There's nothing I can do
Can't change your mind
Can't leave it all behind
You're living in the past
We talk and talk
Discuss for hours
About how it should be
Why is it all me
Don't wanna fight
Don't wanna waste my time
Baby just can't relax
I'm moving on, moving on

Chorus:
Can I go now
Say what you have to say
Happy you've got your way
There's nothing to discuss
Can I go now
Giving your point of view
Say what you want it too
So what's the point of love
Can I go now
Oh say what you have to say
Happy you've got your way
What is to discuss

What's the point of trying to reach compromise
When you're the only judge and jury
What's the story
I can't make you see that I'm not always wrong
I can't make you right
It's time to move on
I'm moving on

Chorus

Let's go lead a day upon my banks beyond my way
Sure don't needs to stay

Well I'm not welcome anyway
Well that's alright and that's OK yeah

There's nothing left to do
Maybe I'm not for you
So why don't you let it go

Tell me what's the point of all this
Talk, talk, talk, talk
We could go day and night
Still wouldn't make it right

Can I go now
Say what you have to say
Happy you've got your way
There's nothing to discuss
Can I go now
You're giving your point of view
Say what you want it too
So what's the point of love
Can I go now
I'll be on my way
Let's call it a day
Can I go now?
Now, why don't you let it go
Can I go now?
