You can dance you can jive having the time of your life

See that girl watch that scene dig in the Dancing Queen

Friday night and the lights are low

Looking out for the place to go

Where they play the right music getting in the swing

You come in to look for a King

Anybody could be that guy

Night is young and the music's high

With a bit of rock music everything is fine

You're in the mood for a dance

And when you get the chance...

You are the Dancing Queen, young and sweet, only  
seventeen

Dancing Queen, feel the beat from the tambourine

You can dance, you can jive, having the time of your  
life

See that girl, watch that scene, dig in the Dancing  
Queen

You're a teaser, you turn 'em on

Leave them burning and then you're gone

Looking out for another, anyone will do

You're in the mood for a dance

And when you get the chance...

You are the Dancing Queen, young and sweet, only  
seventeen

Dancing Queen, feel the beat from the tambourine

You can dance, you can jive, having the time of your  
life

See that girl, watch that scene, dig in the Dancing  
Queen
