I wanna tell You story now  
Story about my parents' life  
It's very interesting  
So close your eyes  
And try to imagine that  
What I tell You now  
My mother was a pretty girl  
She was fat but had beautiful face  
She's met my father in the bar  
But she doesn't know  
That he was abnormal  
Not right on his mind  
It's a schizophrenic  
Schizophrenic family  
And nobody knows  
What it means  
What it means  
They got married very soon  
And very soon she lost her pride  
He spank her everytime  
And someday she said I kill you  
I have power in my fists  
And that was the end  
Of my mother's life  
My father sit in hospital  
And I'm happy with that  
It's a schizophrenic  
Schizophrenic family  
And nobody knows  
What it means  
What it means
