[Music : M. Weard / Lyrics : T. Lundin]

[Lead : Mike]

Weighed down with intuitions under waves of anguish
and fear

Our future world is bequeathed a legacy of evil
pressage to bear

We must gather our thoughts - Prepare to face a
forthcoming fall

Death is life close at hand - A nessecary measury,
unleash this call

Pay heed to premonitions - Reveal clear facts to save
mankind

Mother earth we've inherited from ancestors time out
of mind

Drems of love are shattered - Submission to folly has
led us astray

The calm before the storm rearrange what makes man
decay

Let's call the awakening

Let's call the awakening

[Lead : Mike & Marco]

We dwell within the measurable (distance of ruin)

Behold the hatred among us all

Twilight, descending from above (seek your shelter)

Beyond the horizon of time

Weighed down with intuitions - Reveal clear facts to
save mankind

Our future world is bequeathed - From ancestors time
out of mind

Dreams of love are shattered - Prepare to face a
forthcoming fall

The calm before the storm - We ought to obey this
exhortation

Let's call the awakening

"In the hands of a child lies the age of tomorrow
A guidance to our future through sadness and sorrow"
