Incomprehensible  
It's inexpressable  
So indiscribable

It's inconceivable  
Too inadmissible  
And it's inalterable

Starin down the barrel of a gun  
No more whistling in the dark  
Am i the only one?

This is the end of fear

NAUSEA, INSOMNIA  
HAUNTED BY THIE PHOBIA

Ineradicable  
It's invariable  
So inexplicable

It's inescapable  
Too insupportable  
And it's intangible

So there's more to life than meets the eye  
More than flesh and blood can stand  
I suffer and I sigh

This is the end of fear

NAUSEA, INSOMNIA  
HAUNTED BY THIE PHOBIA

A constant fear of contaminations  
A perpetual anxiety about virulent infections

Incommensurable  
It's infeasible  
So inevitable

It's insuppressible

Too inapplicable  
And it's incurable

A lethal terror, so psychological  
A schizophrenic phobia  
Brought into strong relief

This is the end of fear

NAUSEA, INSOMNIA  
HAUNTED BY THIE PHOBIA  
NAUSEA, INSOMNIA  
HAUNTED BY THIE PHOBIA
