Standing out in bold relief
Against the mass of grey
Shadows linger on within the soul

Deathly pale, disguised in black
So eager for the fray
Searching for nirvana within so

RISE BABYLON
RISE WITHIN ME
RISE BABYLON
RISE WITHIN ME
Rise...

Rise now
On the threshold of pain

Sunday in my sad blue eyes
The worst for wear outside the pale
Wipe away those bitter tears now

RISE BABYLON
RISE WITHIN ME
RISE BABYLON
RISE WITHIN ME
RISE BABYLON
RISE WITHIN ME
RISE BABYLON
RISE WITHIN ME

Now, rise now...

(Lead me through this darkened world,
Light a candle in my heart
Take me far away from here
Where everything depends on you
Light a candle in my heart
Let the Saviours take me home
Take me far away from here
Where everything depends on you)

Lead me through this darkened world

This wasteland (of sorrow)
Light a candle in my heart
Let love shine (tomorrow)
Let the Saviuors redeem me
Just take me home (I'm feeling blue)
Take me far away from here
Where everything (depends on you)

Just take me home, away from here
Take me far away, away from here
Le the Saviours redeem me
Light a candle within my heart
Let love shine
...Tomorrow
