[Music : M. Weard / Lyrics : T. Lundin]

Politicians, greedy of gain  
Power - the ultimate to obtain  
Hypocrisy - Bribes and corruption  
Supremacy - A superior deception

Manipulated inhabitants  
Persuaded by mendacity

Hypocrisy - The ulterior motives  
Supremacy - A guidance to the forthcoming fall  
[Lead : Marco]

Beneath the curtain of lies  
A parasite reigns in disguise

Hypocrisy - Appearances are deceptive  
Supremacy - A guidance to the forthcoming fall  
[Lead : Mike]

"As I stand here, proclaiming to be what this nation  
needs,  
The masses are eager to follow and to join up with the  
legions of lies"  
[Lead : Mike]

The forthcoming fall - You'll pay the debt of nature  
The forthcoming fall - Death will befall us all  
The forthcoming fall - You'll pay the debt of nature  
The forthcoming fall - Death will befall us all  
The forthcoming ...  
[Lead : Marco]
