I'm in the phone booth, it's the one across the hall
If you don't answer, I'll just ring it off the wall
I know he's there, but I just had to call

Don't leave me hanging on the telephone

I heard your mother now she's going out the door
Did she go to work or just go to the store
All those things she said, I've chosen to ignore

Oh why can't we talk again
Don't leave me hanging on the telephone

It's good to hear your voice you know it's been so long
If I don't get your calls then everything goes wrong
I want to tell you something you've known all along

Don't leave me hanging on the telephone

I had to interrupt and stop this conversation
Your voice across the line gives me a strange
sensation
I'd like to talk when I can show you my affection

Oh, I can't control myself
Don't leave me hanging on the telephone
Hang up and run to me
