I'd like to touch your perfect skin,  
I'd like to feel you from within,  
It's me I'd like to keep control but it's hard,  
She burns me up like a shooting star and it's me

Breaking it down,  
She does it for me,  
I'm right here and I'm so free,  
The world I had known,  
Things I was sworn  
1978 I was born,  
To live is to Fight the urges we like,  
I'm on the in there,  
I'm one with the child,  
Zoo baby wanted all that it seems,  
Zoo baby rummy so hard to control

Your time is here,  
Your time is mine,  
I'd drink you up it's like a perfect wine,  
It's me,  
My thoughts so bad the things I would say,  
It all controls just to have her name, and I'm free

Breaking it down,  
She does it for me,  
I'm right here and I'm so free,  
The world I had known,  
Things I was sworn  
1978 I was born,  
To live is to Fight the urges we like,  
I'm on the in there,  
I'm one with the child,  
Zoo baby wanted all that it seems,  
Zoo baby rummy so hard to control

Breaking it down,  
She does it for me,  
I'm right here and I'm so free,  
The world I had known,  
Things I was sworn

1978 I was born,  
To live is to Fight the urges we like,  
I'm on the in there,  
I'm one with the child,  
Zoo baby wanted all that it seems,  
Zoo baby rummy she is my queen,  
It's so out of control!  
Zoo baby wanted all that it seems,  
Zoo baby rummy so out of control,  
I want it, I want it, I want out of control!
