Roll film

Sweat out heart  
Perfect for the part  
Part of me for all to see  
I've blocked this scene  
In everynight's dream  
Camera cuts to close up  
A-list actress  
Messing up my line  
Every time  
Beautiful moves around

There's a crew of cameras outside  
They want a simple reason why  
A headline  
Inching up the drive  
Can you imagine a better  
Line (Life) Life?

Sweat out heart  
Perfect for the  
Apartment where we fell apart  
Movie rain is just water in a pipe  
Camera cuts to two-shot  
A-list Actress  
Messing up my mind  
Every time  
Beautiful moves around  
You're a cut above the clueless  
In careful character for news  
In league with all things heavenly  
What's a star to do?

A-list  
Here in the real world  
How does it feel?

Down down down  
Comes calamity  
Just because  
Come and take a picture

Down down down  
Comes recovery  
Just because  
Come on take a picture

Spit out heart  
Perfect for the  
Catastrophe I know I can be  
Please tell me am I crazy?  
Are you crazy for me?  
A-list actress  
Messing up my life  
Every time.

Beautiful take  
Cut  
Print.
