Whoa, whoa  
Whoa, whoa  
Whoa, whoa  
Whoa, whoa

You were talking to her  
But messing with me  
It's finally clear  
You're blurring the lines

Are you disturbed?  
Oh, now you care  
Why do you race  
Through my red lights?

Can't understand?  
I'll slow it down for you

Tell me, how can you sleep?  
How can you breathe?  
Baby, tell me how  
How you love me now  
(Whoa, whoa)

Tell me, how can you sleep?  
How can you breathe?  
I hate when you say  
How you love me now  
(Whoa, whoa)

Save, save it for her  
I'm not gonna hear  
Your reasons and  
Please-just-take-me-backs

We never were right  
Don't waste your breath  
You crashed and you're  
On your own tonight

Can't understand?  
I'll slow it down for you

Tell me, how can you sleep?  
How can you breathe?  
Baby, tell me how  
How you love me now  
(Whoa, whoa)

Tell me, how can you sleep?  
How can you breathe?  
I hate when you say  
How you love me now  
(Whoa, whoa)

Lights out, I found out  
My falling star  
Goodbye, the sun rises here  
There's no more you and I

Whoa, whoa  
Whoa, whoa  
Whoa, whoa  
Whoa, whoa

Tell me, how can you sleep?  
How can you breathe?  
Baby, tell me how  
How you love me now  
(Whoa, whoa)

Tell me, how can you sleep?  
How can you breathe?  
I hate when you say  
How you love me now

How you love me now  
(Whoa, whoa)  
(Whoa, whoa)  
How you love me now  
(Whoa, whoa)  
(Whoa, whoa)
