Everybody's lookin' for love, oh oh
Ain't that the reason you're at this club, oh oh
You ain't gonna find it dancin' with her, no
I got a better solution for you, boy, oh oh

Just stay with me now
Say the word and we'll go
I'll be your teacher; I'll show you the ropes
You'll see a side of love you've never known
I can see it goin' down, goin' down

In my head, I see you all over me,
In my head, you fulfill my fantasy
In my head, you'll be screamin' ooooh
In my head, it's goin' down
It's goin' down
In my head, oh oh

Some chicks know all the right things to say
When it comes down to it, it's all just game
Instead of talkin', let me demonstrate, yeah
Get down to business and skip foreplay

Just stay with me now
Say the word and we'll go
I'll be your teacher; I'll show you the ropes
You'll see a side of love you've never known
I can see it goin' down, goin' down

In my head, I see you all over me
In my head, you fulfill my fantasy
In my head, you'll be screamin' ooooh
In my head, it's goin' down
It's goin' down

Ayooo ayooo ayooo..
He'll be screamin' out when it all goes down

Just stay with me now
Say the word and we'll go
I'll be your teacher; I'll show you the ropes

You'll see a side of love you've never known
I can see it goin' down, goin' down

In my head, I see you all over me
In my head, you fulfill my fantasy
In my head, you'll be screamin' oooh
In my head, it's goin' down
It's goin' down

I see you all over me
In my head, you fulfill my fantasy
In my head, you'll be screamin' more
In my head, it's goin' down
It's goin' down
