Oh, holy night  
The stars are brightly shining  
It is the night of our dear saviour's birth

Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth  
A thrill of hope  
The weary world rejoices  
For yonder breaks a new and glorious morn

Fall on your knees, oh hear the angels voices  
Oh night divine, oh night when Christ was born  
Oh night divine, oh night, oh night divine

Truly He taught us to love one another  
His law is love and His gospel is peace

Chains shall He break, for the slave is our brother  
And in His name all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
With all within us praise His holy name

Fall on your knees, oh hear the angels voices  
Oh night divine, oh night when Christ was born  
Oh night divine  
Oh night, oh night divine
