

## Hey Ocean! "Alleyways"

I'll take the alleyway today  
No need for streets  
They just compete with other people  
Walking side by side on sidewalks  
With their clocks all ticking simultaneously

That's where I'll be  
Stick to the alleyway with me

There is a way  
Another way to go and I'll take it  
A secret way  
Some people know about but know one ever sees

You will find it if your heart is open  
And I'm hoping it will lead you straight to me

Fast or slow  
Take the shortcuts and side roads  
Pay no mind to the signs or highway lines  
We'll get there our way

I'll take the train tracks there  
The ones that run behind the houses down on Pine  
Street  
Traveling side by side like lovers  
Never crossing one another so to speak

And I would walk these tracks forever  
Even if the weather doesn't change in weeks

And though we were deserving long ago it doesn't hurt  
to notice I'm free

Fast or slow  
Take the shortcuts and side roads  
Pay no mind to the signs or highway lines  
We'll get there our way

Fast or slow  
Take the shortcuts and side roads  
Pay no mind to the signs or highway lines

We'll get there our way
