Is this the end
The end of the dance
Of our sweet
Silent
Love soap
Please let's not pretend 'cause it's clearly the end

The end of the walk leading up to your door
The end of the staircase up to the third floor

The end of the places we met after dark
Oh
The creak of the bridge where we lay in the park

Is this the end
The end of the dance

The end of excitement
It was all too real
Yes
This act of rebellion we just couldn't deal with

The kiss in your closet with him just above
Oh
Craving for reasons that aren't about love

A break from what's normal
These natural known facts
This need for disaster but someone forgot

Is this the end
The end of the dance
Of our sweet
Silent love
Ooh
Let's not pretend
It's clearly the end

The end of the awkwardness
The end of the anguish
Of all spontainty

Of screaming of languish

The end of the nook where it first was addressed

Oh

The end of my thoughts

Being completely obsessed

It's all for the better

In my mind there's no doubt

I don't know what we'd do if he ever found out

Is this the end

The end of the dance

Of our sweet

Silent love

Ooh

Let's not pretend

It's clearly the end

Ooh

Ooh

Ooh

Ooh

Is this the end

(Is this the end)

This is the end

Is this the end

(Is this the end)

This is the end

Is this the end

(Is this the end)

This is the end

Is this the end

(Is this the end)

This is the end

Is this the end

(This is the end)

Is this the end

(This is the end)

Is this the end

(This is the end)

Is this the end

(This is the end)
