Look at the sky and wonder in amazement
Get your pretty eyes up off the pavement
Just stop wherever you are
Turn up the music
Turn up the stars

Oh
It's overwhelming sometimes thinking about the people
in the world
Oh
And it's crazy thinking about how little we are

Oh
It's overwhelming to think there might be somebody
out there just like us
Talks like us
Looking back at us from a star

Boy you gotta look at the sky and wonder in
amazement
Get your pretty eyes up off the pavement
Just stop wherever you are
Turn up the music
Turn up the stars
Whoa
Oh
Oh

I don't understand why everybody's in this big rush to
get somewhere
Oh
They are always in a hurry
Always worrying about this and that and somethings
else
And your head's still down
Your eyes are still frowning
You are simply drunk man

I kinda like an ocean in the city
Different
Pretty
Aint it shitty sometimes

Every thing you once believed in left behind
Press rewind
I'm stuck in this frame
In this crazy state of mind
And you think there's got to be more to life than this
Oh yes
This

Look at the sky and wonder in amazement
Get your pretty eyes up off the pavement
Just stop wherever you are
Turn up the music
Turn up the stars

We try to find ourselves
We look inside our souls
We tend to close our eyes and then we lose control

We search these empty shells
We look inside our souls
We tend to close our eyes and then we lose control

Look at the sky and wonder in amazement
Get your pretty eyes up off the pavement
Just stop
Yeah
Just you stop wherever it is that you are
Turn up the music
Turn up the stars

Whoa
Oh
Oh
Turn 'em up
Turn 'em up
Yeah
Turn 'em up
Yeah
Yeah
Ooh

Just stop wherever you are
Turn up the music
Turn up the stars

Whoa
Oh

Look at the sky and wonder in amazement
Get your pretty eyes up off the pavement
Ooh

Ooh
