Booty, booty, booty, booty, rockin' everywhere

Booty, booty, booty, booty, rockin' everywhere

Rockin' everywhere, rockin' everywhere

I found you Ms. New Booty

Get it together and bring it back to me

Hit the playa's club for about a month or two

Put his hand on it then see what it do

I found you Ms. New Booty

Get it together and bring it back to me

Hit the playa's club for about a month or two

Put his hand on it then see what it do

Get it ripe, get it right, get it tight

Get it ripe, get it right, get it tight

Get it ripe, get it right, get it tight

Get it ripe, get it right, get it tight
