Yeah, ha B.K. C.I. okay
Yo

You ever rolled up in a convenience store with a forty-four
And told the cashier to drop to the floor?
But you didn't take anything but a bag of chips
A half gallon of milk, some juice, and a box of grits?

Nah but I might walk up in Kroger, head straight for the DVD's
Stuff 'bout four of 'em in my cargo, smile and flee with ease
Then hit up the Super Target, exchange 'em for store credit
That's sixty dollars worth of grub, some squares and a case of Bud

Yo, yo you ever invested your money in some Internet stock?
Seen how your cheese multiply quicker than sellin' rocks?
I invest in pharmaceuticals like Xanax and Loritabs
Take 'em all with alcohol, then hunt for some more to grab
Yo, you ever had a chick with no brains, but liked to give 'em
That had the nerve to ask you to scream her name while you hit it?

Haha, nah but I know this Betty who licks ass for her enjoyment
She also takes golden showers and drinks the piss from out my toilet
And when it's time for the deployment of doo-doo from out my anus
She likes to catch it in her hands and lick the excess from her fingers

Yo, you ever tried to purchase a car with a personal check?
Have your lady call you a dog, and send you to the vet?

Ever been in trouble with the cops, for more than three times

From tryin' to sell digital video cameras to the blind?

Man fuck purchasin' a car, I live on New Jersey drive
Athens Georgia, three-oh-six-oh-five, that ain't no lie
And my girl don't even speak 'cause I get violent when I drink

But it's perfect 'cause she don't talk, I need some
silence when I think

About the thirty-three times the law tangled me up
With chunky tray, legs up, stuck, thinkin' we fuck
Well screw 'em they ain't enough to stop these Sparxxx
from flyin'

If Bubba ain't the truth that just mean that my heart is
lyin'

No matter what you ask me, I'm givin' you Bubba Kay
Just the truth of the matter okay? Fuck what you say
Nuttin' more nuttin' less, I'ma get it off my chest
C.I., spit what I feel, regardless

No matter what you ask me, I'm givin' you Bubba Kay
Just the truth of the matter okay? Fuck what you say
Nuttin' more nuttin' less, I'ma get it off my chest
C.I., spit what I feel, regardless

Would you rather move two thousand units and be
critically acclaimed
Or sell two million out the gate and be labeled lyrically
lame?

In other words, would you prefer to have dem mics in
The Source
Or a Grammy, some jazzy broads, a little ice and a
Porsche?

I ain't gon' lie, I'm tryin' to sell three million out the gate
And get six mics in The Source off of lyrical force
And push a custom made Porsche and a Range with the
woodgrain
And spit verses sharp enough to cut straight to your
brain

Well, you ever fucked a chunky broad, weighin' three
hundred plus up
And actually took some pride to the shit, and didn't
rush none?

Yo, when it comes to big chicks, C.I. plead the fifth
'Cause I only weigh a buck-fifty and I don't own a
forklift

Man have you ever snorted coke 'til your heart sat in
your throat
Then took your whole advance to buy more, and woke
up broke?

Yo, C.I. don't do drugs, I hang out with corporate thugs
That transport microchips and oriental rugs
Then sell 'em on the streets for as much as they can
The only coke I mess with comes in sixteen ounce cans

But would ever consider dancin' with the devil for
paper?
Fly with me and Fred Durst on an embezzlement caper?
Would you bet on the Lakers if Jordan played for the
Clippers
Or leave yo' girl and move to Vegas with a stable of
strippers?

Yo, I wouldn't dance with the devil, the stocks are too
hot
And if Jordan played for the Clippers I'd claim Cali like
'Pac
And I'm not into embezzlement, I like hostile takeovers
Corporate jets, BMW's and Range Rovers

'Cause they're tax writeoffs, they're all business
expenses
And as far as that stripper, yo I let my man hit her
C to the I, Central Intelligence
And if I did touch her believe me you wouldn't find a
trace of evidence

No matter what you ask me, I'm givin' you Bubba Kay
Just the truth of the matter okay? Fuck what you say
Nuttin' more nuttin' less, I'ma get it off my chest
C.I., spit what I feel, regardless

No matter what you ask me, I'm givin' you Bubba Kay
Just the truth of the matter okay? Fuck what you say
Nuttin' more nuttin' less, I'ma get it off my chest
C.I., spit what I feel, regardless

No matter what you ask me, I'm givin' you Bubba Kay
Just the truth of the matter okay? Fuck what you say
Nuttin' more nuttin' less, I'ma get it off my chest
C.I., spit what I feel, regardless

No matter what you ask me, I'm givin' you Bubba Kay
Just the truth of the matter okay? Fuck what you say
Nuttin' more nuttin' less, I'ma get it off my chest
C.I., spit what I feel, regardless

Yeah, C.I., and Bubba Sparxx, nonsense
I think in conclusion, it could be said
That no matter where the fuck I'm at
No matter who the fuck I'm around

I'ma do what the fuck I do
Ride walk leave it or love it I don't give a fuck
Now I fucks with a motherfucker like C.I.
'Til we both bleed 'til we can't bleed no more
Just 'cause I know he'll do that same type of shit

The East, the West, don't forget about the South
Don't forget about the motherfuckin' South
Bubba Kay worldwide, ay
Venice to Venezuela, [Incomprehensible]
Y'all know what the fuck it is [Incomprehensible]
