**(feat. Duddy Ken, Sleepy Brown)**

*[Chorus - Sleepy Brown]*

Everywhere that I seem to go, all people they know  
There goes that man  
Cadillac's steady move, all ladies choose it  
There goes that man  
Been all around the world and I kissed every girl  
There goes that man  
Girl this ain't no kind of allusion, it's really that man  
There goes that man

*[Verse 1 - Duddy Ken]*

Hey, when we step up out the play man  
We bring that monster A game  
Switchin or say through lanes  
Green on my shirt like Tulane  
Drunk and drivin in two lanes  
Dirt Reynolds, that's the new name  
Dip out and handle a few thangs  
Bet I come back a rich man  
Some of these cats is bitch made  
My shift be like a switch blade  
The doors, open this way  
That man, went that a way  
Chase cheese like a rat race  
Push my button like there  
And that's gonna get you nowhere  
Just like you fuckin yourself  
I've been all over the globe and hit a lot little spots  
(spots)  
Met bitches that love the nigga, that's if she fucked me  
or not (not)  
Trappin what's in my spot (spot)  
Not movin, just got me no dough  
It's like my money was slow mo'  
I bought a car and got Mobile  
My city's up on my shoulders  
I'm takin life as we know of  
Tranformin into a whole 'nother world and time  
Beat up tracks and murder rhymes  
Don't dare close the curtain, cause I'm just beginnin

Bubba was the beginnin but bitch I'ma end it  
Hey, I'm that man, man

*[Chorus]*

*[Verse 2 - Bubba Sparxxx]*

Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Shit, I'm a Dodge Rammer, god damn if I ain't two and  
0  
I'm competin and momma's eatin, so am I losin? No  
But shit was movin slow, I had to switch machines up

Destiny don't always match with the shit you dreamed  
up  
But Bubba ain't no cream puff  
In my life, I've seen much  
Held the thrills and the spills  
Through it all, I kept it trill  
Guarantee I never will ever feel as helpless  
As I did these last couple years, I know you felt this  
Really don't expect no forgiveness for "Deliverance"  
Then again I offer no apologies, I meant the shit  
Cause I lived the shit, truth is truth and that's the end of  
it  
I'm up and runnin, bet my jersey's in the rafters when I  
sit  
Watched it when I get a hit, everybody benefits  
I'm far removed from innocence, a year older than  
twenty-six  
Pussy just remember this, I ain't chose the path I'm on  
If you want it, come and get it, as that man I stand  
alone (oh!)

*[Chorus]*

*[Verse 3 - Bubba Sparxxx]*

Duddy! Haha  
Uh huh, hey say, hey let the guns play  
I just came with "Me, Myself, and I" like Beyonce  
Let these suckers run they coffee coolers, I'm the  
truest  
country motherfucker, bust and kill the talk, it's time to  
do it  
Everything your idol do it, I can do it cock eyed  
Three albums supplied, once I have not lied  
That should mean a lot right?  
Maybe when they open up the books, I can get a look  
You must admit, I'm dope as fuck, true I ain't devoted  
much  
of my raps to dope, I'm just a little to preoccupied with  
the truth, you know what's up

Sorry but I know this much, Bubba K is sen-sat-ional  
That shit ain't no bull  
Ain't no bull that I can't pull, I am him  
That'll be the case, if I'm ridin rims or shinin them  
Bubba baby, more trouble baby, ha I love you hate me  
Ask your lady, is it maybe her that I've been pluggin  
lately  
Fuckin *[echo]*
