[Verse:]

Jehovah Jireh, my provider,
my strong tower, my everything.
Through the hurt and pain, He's my relief;
celebrate His name.

[Chorus:]

Let's all celebrate,
let's all celebrate,
let's all celebrate, Jesus, our Lord and King.

Let's all celebrate,
let's all celebrate, celebrate His name.

[Vamp 1:]

Jesus, Jesus, Jesus,
Jesus, our Lord and King.

Jesus, Jesus,
celebrate His name.

[Vamp 2:]

Let's all celebrate, let's all celebrate.
Let's all celebrate, let's all celebrate.

Let's all celebrate, let's all celebrate,
celebrate His name.

[Vamp 1]

[Vamp 3:]

Let's all celebrate, let's all celebrate.
Let's all celebrate, let's all celebrate.
