(Verse 1)

What kind of man is a man that'll gain the world and  
lose his soul  
What kind of woman if she knows that she's a girl,  
fronts like she's old  
Give'em your life

(B-sec 1)

I can tell you how I did but you just might forget it  
What you need to do is give Him your life today  
Because it don't matter  
Don't matter 'bout nothing' no more

(Chorus)

Give'em your life (Get saved today)  
Give'em your life  
Give'em your life (Don't you hesitate)  
Give'em your life

(Verse 2)

What kind of mother is a woman that'll go to church  
and leave her child  
What kind of father is a man that'll call from work but  
it's anotehr number  
He dials (Give'em your life)

(B-sec 2)

God shows you He loves you but you won't let Him  
touch you  
What you need to do is give Him your life today  
Because it don't matter, don't matter  
Don't matter 'bout nothin' no more
