Be not weary in well doing
Know that in time it will come to pass
And if you set your eyes on things above
And know that God is working on your behalf

Be not weary in well doing
Know that in time it will come to pass
And if you set your eyes on things above
And know that God is working on your behalf

When it may not come when you want it but you gotta
hold on
For all things work together for those who love the Lord
And don't you be moved by the snares of the enemy
you gotta hold on
Even when your back's up against a wall
That's when you gotta keep on keeping on

Be not weary in well doing
Know that in time it will come to pass
And if you set your eyes on things above
And know that God is working on your behalf

Well He may not come when you want Him but you
gotta hold on
For all things work together for those who love the Lord
And don't you be moved by the snares of the enemy
you gotta hold on
Even when your back's up against a wall
That's when you gotta keep on keeping on

For God is not a man that He should lie
Never far away He's standing by
Want you to know that God is not a man that He should
lie
Hold on, hold on

Well, clap your hands everybody
Everybody just clap your hand and say oh yeah
Come on, in this place and just clap your hands
everybody

Everybody just clap your hand and say oh yeah, hey

Oh, come on, the race is not given to the swift nor strong

Victory belongs to those who keeps on moving on
Yeah, the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on

Yeah, the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on
Yeah, the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on

Everybody just keep, keep, keep on moving on
Oh, keep, keep on, keep on moving on
Don't get tired, just keep, keep, keep on moving on
Oh, keep, keep on moving on

Come on, the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on
Yeah, the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on

Yeah, the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on
Everybody say that the race is not given to the swift nor strong
Victory belongs to those who keeps on moving on, yeah
