Stand still and know that He is God  
Know that He will never leave your side  
Stand still and know that He is God  
Know that He will never leave your side  
He'll fight your battles if you let Him  
He'll be your refuge; He'll be your comfort  
He'll fight your battles if you let Him  
He'll be your refuge; He'll be your comfort  
So you should let go, let God, let go, let God, let go, let  
God  
Let God have His way  
So you should let go, let God, let go, let God, let go, let  
God  
Let God have His way  
(repeat 3 times)

He'll fight your battles if you let Him

He'll be your refuge; He'll be your comfort  
He'll fight your battles if you let Him  
He'll be your refuge; He'll be your comfort  
He'll fight your battles if you let Him  
He'll be your refuge; He'll be your comfort

So you should let go, let God, let go, let God, let go, let  
God  
Let God have his way  
So you should let go, let God, let go, let God, let go, let  
God  
Let God have his way  
So you should let go, let God, let go, let God, let go, let  
God  
Let God have his way
