[VERSE]

I thought you were different,
I thought you were my friend.
When I was in pain,
I'd find you and it'd end.
But then I found you were playing with me,
Lying to me,
I'll get my revenge,
Just you wait and see.

[CHORUS]

This is for you N.I,
Very soon you'll realise,
And look at all this pain,
You've caused me.
I'll make you regret.
Believe me.

[VERSE]

I thought I was happy,

I though you'd be around.
If I was in pain,
You said you'd be around.
But you changed one day junkie,
You had become a whore,
I came up to you,
But I was a bore,
to you, nothing.

[CHORUS]

This is for you N.I,
Very soon you'll realise,
And look at all this pain,
You've caused me.
I'll make you regret.
Believe me.

[ENDING]

You were my only friend,
Now I have nothing.
