Here's a little story I'd like ta tell
About a situation guys and girls know very well
Everything is fine and dandy and you love it
Till dope make you treat another person like a puppet
(puppet)

Now I talked to this girl for about two weeks
And I've been many places and seen many freaks
But this girl was juss fly, her body good lookin
I was a piss juss flap and she was like hook'n
I got ta know her by spendin some time
She gave me things of hers for some things of mine
Everything was goin good couldn't nothing go betta
Anything she wants to do Hi-C would juss let her

Three weeks later I noticed a change
Some'n wasn't right she was acting kinda strange
Took some money out my stash and stuffed it in her
purse
She think if this uh gettin bad man it's gonna get worse

'Cause uh a yo on my ding ding ding a ling
Tryna tie my arms and legs with the strings
My money... mhm... I know u love it
But let me tell you one thing I'm not

I'm not your puppet
Puppet

Hopped out the bed bout three o'clock
Stumbled to the door when I heard the knock
I thought man and who the heck could this be
When I got to the door she said Croft it's me

She pushed her way in didn't use much force
She said I know we goin' out I said yeah of course
I'm stare'n at this girl wonderin if she alright
'Cause where in da heck you suppose ta go
At this time of the night
But the only thing that was on my mind
Was jackin this girl fo a big behind
She thought that I forgot

That she was the one that was smokin' rocks
I looked at the girl and I said
Baby you know what Steve said
Yo butt aint nothin but a base head
She disagree she said stop lyin
Her feelings were hurt so she broke out cryin
I said baby you gotta help yourself
Don't expect help from anyone else
This relationship this ain't gonna last
Girl you gonna have ta get rid of your past
'Cause yeahm your on my ding ding ding a ling
Tryna tie my arms and legs with the strings
My money... mhmm... I know u love it
But let me tell you one thing I'm not

I'm not your puppet
Puppet

Puppet

Yo da little story that I juss told
About a girl's living life wit her head dat swo
Don't blame me
Hi-C can't cut it girl I know you love it
But I'm not your puppet puppet puppet puppet
