Five, four, three, two, one

Come wit' us and have some fun

I have five senses say them with me

Five senses here we go

Say 5, Hi-5

(5, Hi-5)

I have five senses say them with me

Five senses here we go

Say 5, Hi-5

(5, Hi-5)

1 to see, 2 to hear

3 to taste, 4 to feel

5 to smell, we're doing well

Five senses say them with me

Five senses here we go

Say 5, hi 5

(5, Hi-5)

Five, four, three, two, one

Come wit' us and have some fun

With my eyes I can see

With my ears I can hear

With my hands I can touch
I can feel when you're near
I can taste sweet and sour
I can smell with my nose
Let's do it one more time
Here's how it, here's how it
Here's how it goes
I have five senses say them with me
Five senses here we go
Say 5, Hi-5
(5, Hi-5)
I have five senses say them with me
Five senses here we go
Say 5, Hi-5
(5, Hi-5)
I can see the moon at night
I can here the band play
I can touch and feel
Hot and cold, ethier way
I can taste, I can smell
What I like and what I don't
Let's do it one more time
Here's how it, here's how it
Here's how it goes
I have five senses say them with me

Five senses here we go

Say 5, Hi-5

(5, Hi-5)

I have five senses say them with me

Five senses here we go

Say 5, Hi-5

(5, Hi-5)
