spoken

You know I've been waiting so long for this chance...

Can we talk alone?

But I can't wait another minute

I can't wait another minute

Verse 1:

Little lady you look so fine

Can't turn my eyes away

So much I wanna say, and

Tonight I wanna make you mine

We'll turn the lights down low

And dance so very slow

I know that we don't know each other well

But I can't believe I'm wasting your time, oh no

So tell me what to do

For the love of you tonight

Chorus:

Cuz I've been holding back what I feel

Love's so real

But I can't wait another minute

I can't wait another minute

Cuz I've been holding back all I feel

I'm for real

Cuz I can't wait another minute

I can't wait another minute for your love

Your love...

No...

No no baby

Verse 2:

Sweet lady

Don't you look away

I don't mean to make you shy

But we haven't got much time

Tonight I know just what to say, yeah

I'll love your cares away

And you and I will find a way

You know that there's a possibility

That we'll never get this chance once again, oh no
So tell me what to do
For the love of you tonight
Baby tonight

Chorus:

Cuz I've been holding back what I feel love's so real
But I can't wait another minute
I can't wait another minute
Cuz I've been holding back all I feel
I'm for real
Cuz I can't wait another minute (oh no I can't)
I can't wait another minute for your love

Your love...

Oh yeah

Bridge:

I know that we don't know each other well
But I can't believe I'm wasting your time, oh no
So tell me what to do for the love of you
Tonight...
Tonight baby

Chorus:

Cuz I've been holding back what I feel
Love's so real
But I can't wait another minute (I can't wait)
I can't wait another minute
Cuz I've been holding back all I feel
I'm for real
Cuz I can't wait another (wait another)
I can't wait another minute
For your love
(I can't wait another minute)
(Not another minute baby)
But I can't wait another minute
I can't wait another minute
Cuz I've been holding back all I feel
I'm for real
Cuz I can't wait another minute
I can't wait another minute for your love
Oohhh...nooo...

Don't make me wait another minute
Oh no baby

For your love
