Verse 1

I know that a guy my age
shouldn't be thinking of love
But the things I use to do
no longer interest me
I'd prefer a kiss and a hug

Chorus:

'Cause I know love when I see it
I may be young but I'm not dumb
Because I know love and I need it
Some say I'm before my time
But I'm not blind for love
(ooh~hoo~for love~for love)

Verse 2:

I know that it's hard to see
How someone this young can feel this way
People say it's puppy love
By tomorrow things will change
But what about how i feel today

Bridge:

It doesn't really matter that I'm young at heart
It doesn't mean my heart don't care for love
Put yourself in my place
How could you be so blind
Had to felt the way I feel
once upon a time

It aint always easy
Being in love~

Chorus:'Cause I know love when I see it
I may be young but I'm not dumb
Because I know love and I need it
Some say I'm before my time
But I'm not blind for love
(lioooo~ve for love~ for love, for love ooh-ooh, for lo-
hoo-hoo-oove, for love~

for love for love...
