Oh...

Quality time

Oh...

Quality time with you (Quality time)

I'll be right there for you (Baby)

I'll spend quality time with you (Ho... gonna spend my time)

I'll be right there for you

I know you're tired of the same old line

Me sayin' I have something to do

{I'm sorry, baby, I got so much I gotta to do}

I'm here to say that I made up my mind

'Cause I really wanna be with you {So from now on}

So when my

So when my pager goes off

I'll ignore it, baby

'Cause I really wanna be with you (Be with you, girl)

From now on I'll spend

Quality time with you (Girl, I'll be right there, oh, yeah)

I'll be right there for you (I'm gonna spend my time, yeah)

I'll spend quality time with you (Girl, I'm gonna be right there)

I'll be right there for you (Baby)

Girl, you have got me in a messed up state of mind

And I don't know what to do {Baby, tell me}

People callin' me on my cellular phone, girl

But all I do is think of you, baby

So when my

So when my pager goes off

I'll ignore it, baby

'Cause I really wanna be with you, oh {Yo' T, tell her}

From now on I'll

I'll spend quality time with you (Girl, I'm gonna be right there)

I'll be right there for you (Gonna spend my time with you)  
I'll spend quality time with you (Gonna be right there)  
I'll be right there for you (Girl, I'll spend my time)

Quality time (Baby, baby, baby)  
{From now on you're gonna feel my presence} All right  
{I'll be with you} From now on  
Quality time (Gonna spend my time with you)  
{Baby, I promise, no one else will spend the time that you do with me}  
Girl, when my

When my pager goes off  
I'll ignore it, baby  
'Cause I really wanna be with you, baby {Come on, T}  
I'm gonna spend

I'll spend quality time with you (All of my time, yeah)  
I'll be right there for you (I'll be right there for you, yes, I will)  
I'll spend quality time with you (T is gonna spend, yeah)  
I'll be right there for you (All of my time, yeah)

I'll spend quality time with you (Quality time, quality time, yeah)  
I'll be right there for you (I'll be right there for you)  
I'll spend quality time with you (Yes, I will, yes, I will)  
I'll be right there for you (I'll be there in the mornin', I'll be there in the evenin')

I'll spend quality time with you (All you gotta do is call me, I'll come runnin', baby)  
I'll be right there for you (Listen, I'll put my pager down, yes, I will) {Yes, I will}  
I'll spend quality time with you {Oh, I'm gonna be right there, oh, yeah}  
I'll be right there for you {Oh, yeah}
