I will climb the highest peak
Swim the deepest sea
I will cross the desert land
I would do anything for your love, yeah
(Unconditional love)

Oh oh oh
I need unconditional love

Baby, once is not enough
(No)
I can't live without your love
(Oh, yeah)
Between the heavens up above
(Conditional)
Conditional love

Some people say that I'm just an old fashioned guy
But I believe in love and all that it means
I can never say no to anything that you ask
And I really hope that you would do the same for me,
yeah yeah yeah
How far will you go

It's about trust and honesty
And that's the way it's supposed to be
Unconditional love
(How far will you go, girl)
It's about time and sacrifice
(Time)
(Sacrifice)
We pay the price, it's do or die
(Do or die)
Unconditional love
(Unconditional love)

I don't know what to do
Girl, I'm head over heels in love with you
And I need to know
What it means to you, oh oh

With all this madness goin' 'round

I really think it's time that we settle down
Be my only girl and I'll be your only man
Tell me, girl

It's about trust and honesty
And that's the way it's supposed to be
Unconditional love
(Tell me how far will you go, girl)
It's about time and sacrifice
(Time)
(Sacrifice)
We pay the price, it's do or die
(Do or die)
Unconditional love
(I need an unconditional love, I will be there for you,
baby)

It's about trust and honesty
And that's the way it's supposed to be
(And that's the way it's supposed to be)
Unconditional love
(Unconditional, girl, I'll be right there for you)
It's about time and sacrifice
(Time)
(Sacrifice)
We pay the price, it's do or die
(Do or die)
Unconditional love
(I need an unconditional love, how far will you go)

I will climb the highest peak
Swim the deepest sea
I will cross the desert land
I would do anything for your love, yeah
(Would you do the same for me)

It's about trust
(Girl, now more than ever)
(It's important for couples to stay together)
(You know, with all this madness goin' around)
(You don't know what's gonna happen)

It's about time
(You see, baby, you need somebody in your corner)
(A man that's gonna stand by you when times get
tough)
(And no matter what happens I'll be there for you)
(Can you say the same)

Baby, once is not enough
(No)

I can't live without your love
(Live without your love)
Between the heavens up above
(Heavens up above)
Conditional love
(Oh yeah)

Baby, once is not enough
(Once is not enough)
I can't live without your love
(Live without your love, baby)
Between the heavens up above
(Yeah)
Conditional love

It's about trust and honesty
(Trust)
(Honesty)
And that's the way it's supposed to be
(You and me)
(Baby)
Unconditional love
(Unconditional love, girl)
It's about time and sacrifice
(Oh)
We pay the price, it's do or die
(Yeah)
Unconditional love
(Unconditional love, my my my my my my baby)

It's about trust and honesty
(Trust)
(Honesty)
And that's the way it's supposed to be
(That's the way)
(Baby)
Unconditional love
(Unconditional love, my my my my my my my my my my baby)
It's about time and sacrifice
(Time)
(Sacrifice)
We pay the price, it's do or die
(Do or die)
Unconditional love
