You must be amazing
All that hazing you take from day to day
I know I can't be true
So, I tell you "i love you", yes, I do
But then I say to you....

Ba da ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?
For the wonder of it all, don't take a genius after all
Would you be my jerry hall?

Some call me pathetic
I give you credit for sticking next to me (when I'm not there!)
Oh, but when I hear you sigh, I don't know why,
I fall in love again, but then I say to you.....

Ba da ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?
For the wonder of it all, don't take a genius after all
Would you be my - would you be my
Would you be my jerry?

It's not that bad, she says
She's not that sad anyways
He's not that bad, she says
They're sure to work it out someday!!

Ba da ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?
I know you waited for so long,
I always thought true love was wrong.
Would you be my jerry hall?

Solo

Ba da ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?
Ba da ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?

Ba da ba ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?
I know you waited for so long,
I always thought true love was wrong.
Would you be my jerry hall?

Ba da ba ba ba ba da ba ba ba
Oh yeah! would you be my jerry hall?
For the wonder of it all, don't take a genius after all
Would you be my - would you be my
Would you be my jerry hall?
