Nobody in my way. Let's spit all around, let's spit all around.

Spit in my enemy's face. Peotic justice, ancient tradition. That's my faith.

Nothin' fresh, but I see a moving place.

Nothin' fresh, but I like this way so I walk. The youth, take it easy.

Don't think twice'cause I worked hard now, I'm walkin'.

Walkin' slowly, steppin' on droppings.

Walkin' slowly, finding money sometimes.

Always walk the streets, walkin' on my feet. Feelin' good, the way I like.

Nobody in my way. Let's spit all around, let's spit all around.

Spit in my enemy's face. Peotic justice, ancient tradition. That's my faith.

Nothin' fresh, but I see a moving place.

Nothin' fresh, but I like this way so I walk. The youth, take it easy.

Don't think twice'cause I worked hard now, I'm walkin'.
