Can't get no sleep tonight
It's all because of you
Even though I was with you
And we just said good night

cheeks are burning red for you
Heart is beating fast for you

At last at last
ohh...

It is my first kiss chu
Kiss with you
I will give you all my love
Why is it I feel this sweet and tender
Oh... I don't know why
It is my first kiss chu
Kiss with you
I will give you all my love
Yes I know it's strange for a man to cry
Can't hold back
Be in love with you

And when we meet again
I know just where we'll go
All my dreams of tomorrow
Can't help but to grow and grow

All this love I give to you
Give eternally to you

For sure for sure

ohh...

It is my first kiss chu
Kiss with you
I will give you all my love
Why is it I feel this sweet and tender
Oh... I don't know why
It is my first kiss chu
Kiss with you

I will give you all my love
Yes I know it's strange for a man to cry
Can't hold back
Be in love with you

It is my first kiss chu
Kiss with you
I will give you all my love
Why is it I feel this sweet and tender
Oh... I don't know why
Hajimete no chu
Kiss with you
I will give you all my love
Yes I know it's strange for a man to cry
Can't hold back
Be in love with you
