Go

I'm living in the city, it has everything  
Many cultures, many stories, and pretty girls  
Don't wanna go back, don't wanna regret  
Don't wanna get up early to work hard

My youth comes only once in life  
My whole life is my own choices  
The years go by before I know  
So I don't wanna miss the chance

Now I am enjoying my new lifestyle  
But my place is like a rabbit house  
I am enjoying my new lifestyle  
Go my own way

An old lady moved to the place next door  
She's a widow, a pensioner and has many hardships  
Don't wanna see that story, don't wanna feel blue  
Don't wanna see my future after thirty years

My youth comes only once in life  
My whole life is my own choices  
The years go by before I know  
So I don't wanna miss the chance, yeah

Now I am enjoying my new lifestyle  
But my place is like a rabbit house  
I am enjoying my new lifestyle  
Go my own way

Na na na na na na na  
Na na na na na na na  
My own fucking way  
Lifestyle
