

Hi-Standard "Nothing"

Visit "[Nothing](#)" on MotoLyrics.com

I don't need nothing
I don't need anything no more
I won't reach out an open hand
I will love no one
I will trust no one anymore
Except for you

Just a little tired now
Can I lean on you awhile
Look for my soul again tomorrow
I'm not afraid of anything long as you stay here by me
Until the sun comes up tomorrow

I don't need fake friends

I don't want to lie anymore
I'll never play that game again
I won't stop fighting
I will keep my pride inside for sure
Because of you

I don't need nothing
