

Hi-Standard "Stay Gold"

Visit "[Stay Gold](#)" on MotoLyrics.com

my life is a normal life
working day to day
no one knows my broken dream
I forgot it long ago
I tried to live a fantasy
I was just too young
in those days you were with me
the memory makes me smile

I won't forget
when you said to me "stay gold "
I won't forget
always in my heart "stay gold "

it was such a lonely time

after you were gone
you left me so suddenly
that was how you showed your love
now I see the real meaning of your words
they showed me the way to laugh
though your way was awkward

I won't forget
when you said to me "stay gold "
I won't forget
always in my heart "stay gold "
