

Hi-Standard "Stop The Time"

Visit "[Stop The Time](#)" on [MotoLyrics.com](#)

On the way home with you by the sea
we're walking close together
In the setting sun
Do you know?
I believe that if I could stop the time
Yes, I would hope that you would
Feel this same as I

Stop the time, please don't say anything
By my side, don't let me be alone
Stop the time

When I grumble about my worries
Even if you don't listen to me it's OK

Do you know?
I believe that if I could stop the time
Yes, I would hope that you would
Time with you means everything to me

Stop the time, please don't say anything
By my side, don't let me be alone
Stop the time, please don't say anything
By my side, don't let me be alone

This feels so right
