Tu Tu Tu Tu Lu Tu Tu Yeah Yeah

When I first saw you, eye to eye with you
My heart jumped and started to fly to the sky
Over the heavy clouds

Now I got the sun, you are the sunshine
I have never felt like this
You're one in a million

Sunshine baby, I'm a lucky man
I'm living in the same age with you
Don't you think it must be a miracle
That we met in this wide, wide world?

Tu Tu Tu Tu Lu Tu Tu Yeah Yeah

My knowledge to give, your love to receive

Good times with the bad times,
Baby we can get through this life

Sunshine baby, I'm a lucky man
I'm living in the same age with you
Don't you think it must be a miracle
That we met in this wide, wide world?

Sunshine baby, I'm a lucky man
I'm living in the same age with you
Don't you think it must be a miracle
That we met in this wide, wide world?

Tu Tu Tu Tu Lu Tu Tu Yeah Yeah
