I read the newspaper by chance one day at the
breakfast

What a terrible sad story, a bloody murder case
I'm sorry to say this but I just had to laugh
How silly, what's the next story?

Tell me something, happy news
What the hell is wrong with this world now?
Tell me something, happy news
I'm in a crazy world

Oh my God, gonna be late for my dumb class
Should I quit school? Oh, the chime is ringing
Good morning teacher and my friends
Did you have a good dream last night?

Enough of teacher's preaching
Let's go out, skip from this room
Can't keep being quiet
'Cause I'm in a crazy

Tell me something, happy news
What the hell is wrong with this world now?
Tell me something, happy news
I'm in a crazy world

Tell me something, happy news
What the hell is wrong with this world now?
Tell me something, happy news
Oh yeah

Tell me something, happy news
Tell me something, happy news
Tell me something, happy news
I'm in a crazy world
