Yeah, huh, yeah, huh, yeah, yeah, oh
I try and I try to stop the forces
That go round in my head
And I thought you were the one to understand
You turned my darkness towards the light

But once again you touched my hopes to pain
My soul's the same
My tears start flitting in the rain
I'm fallin' again, fallin' again

I really don't know what you came here for
Round and around we go
Consider your bags outside the door
Round and around we go

I really don't know what you came here for
Round and around we go
Consider your bags outside the door
Round and around we go

If you don't understand where I'm comin' from
Then my heart is tellin' me you're not the one
All the games you played and now you lied
You're not the one for me, no more so baby, bye, bye

Pack yo' bags and get to steppin'
You got to let it go you need to stop trippin'
I hope you don't think I'll let you back in
'Cause you's, a, fool

I really don't know what you came here for
Round and around we go
Consider your bags outside the door
Round and around we go

It's gonna rain, it's gonna rain
It's gonna rain, it's gonna rain
It's gonna rain, it's gonna rain
It's gonna rain, it's gonna rain

Today I made up my mind to get away

Everyday I sit and pray, everyday, everyday
Today I made up my mind to get away
Everyday I sit and pray, everyday, everyday

I really don't know what you came here for
Round and around we go
Consider your bags outside the door
Round and around we go

I really don't know what you came here for
Round and around we go
Consider your bags outside the door
Round and around we go

Everyday, every
(Round and around we go)
To get away, away
(Round and around we go)

Hi-Tek
(Round and around we go)
Round & round, round & round
(Round and around we go)

We go round & round
We go inside out
(Round and around we go)
We go back and forth
We go round & round
(Round and around we go)

Did you hear me?
