Listen to my heartbeat,
(listen to my heartbeat).
Feel the thumping rhythm,
From my head down to my feet.
Listen to my heartbeat,
(listen to my heartbeat).
Dancing and spinning and feeling free.
Boom boom boom listen to my heartbeat.
Boom boom boom moving with my feet.
Boom boom boom listen to the beat with me.
Working out.
Working out.
Work it fast and work it slow,
Working out.
Dancing spinning feeling free,
Stretch your arms and stomp your feet,
Come on join the boom boom beat with me.
Working out.
Working out.
Listen to my heartbeat,
(listen to my heartbeat).
Grooving to the rhythm that you're dancing in the
street.
Listen to my heartbeat,
(listen to my heartbeat).
Pumping with the music and the boom boom beat.
Boom boom boom listen to my heartbeat,
Boom boom boom moving with my feet,
Boom boom boom listen to the beat with me.
(working out),
Dancing spinning feeling free.
(working out),
Stretch your arms and stomp your feet.
(working out),
Come on join the boom boom beat with me.
(working out),
Dancing spinning feeling free.
(working out),
Stretch your arms and stomp your feet.
(working out),
Come on join the boom boom beat with me.
(working out),

Dancing spinning feeling free.
(working out),
Stretch your arms and stomp your feet.
(working out),
Come on join the boom boom beat with me.
Working out.
Working out.
Working out.
Working out.
