Five, four, three, two, one
Come with us and have some fun.

I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
One - to see, two - to hear,
Three - to taste, four - to feel,
Five - to smell ... we're doing well!
Five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
Five, four, three, two, one.
Come with us and have some fun.

With my eyes I can see.
With my ears I can hear.
With my hands I can touch.
I can feel when you are near.
I can taste sweet and sour.
I can smell with my nose.
Let's do it one more time,
Here's how it, here's how it,
Here's how it goes ...

I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
One - to see, two - to hear,
Three - to taste, four - to feel,
Five - to smell ... we're doing well!
Five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
One, two
One, two, three, four, five

I can see the moon at night.
I can hear the band play.
I can touch and feel,
Hot and cold, either way.
I can taste, I can smell,
What I like and what I don't.
Let's do it one more time ...
Here's how it, here's how it,
Here's how it goes ...

I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
I have five senses, say them with me.
Five senses, here we go.
Say five (five), hi five (hi five).
Five, four, three, two, one.
Come with us and have some fun
